

Bishop Kelley uses School Messenger, an automated messaging system, to notify students and parents of important information. Voices messaging and text messaging are options with School Messenger. In order to receive text messages through this system you must “opt in”. Please complete the following to receive text messages from Bishop Kelley High School.

Text Y to 67587

You will receive a text message indicating you are registered to receive notifications.

If you receive an error message please contact your provider to enable short messages.

Please contact Daniel Buchanan dbuchanan@bishopkelley.org with any questions.
